REXOIL

NEON MOLYREX GREASE

NLGI 1, 2, 3

MOLYREX GREASE is based on well refined base oil and lithium soap thickener. It contains extreme pressure, anti-wear and anti-corrosion additives. **MOLYREX GREASE** also contains molybdenum disulphide to enhance its resistance to shock loading. It provides water resistance and rust protection. It can be safely used for the lubrication of shock loaded, conveyor bearings, sliding and rubbing surfaces, kiln car bearings. It smoothly runs temperatures up to 130°C.
